There was lots of chicken, and almost the entire Jay-Vee squad to eat it last Thursday, November 7, when mothers of the Junior Rebel team honored the boys with dinner at Maude's.

Each football player had a place card with a short rhyme attached. A gift was presented to coach Walter Carson, and Phil Moore made a short speech expressing the team's appreciation to the coach.

Team members include Bob Holt, Warren Drinkard, Clarence Smith, Wayne Buchanan, Larry Gull, James Smith, Phil Moore, Carroll Goodrich, Mike Lucado, Roger Mayberry, Ralph Reynolds, James Toddy, Randy Canada, Earl Martin, George Williams, Tommy Lawson, Sammy Carter, Dewey Floyd, Duck Martin, Ira Mays, and Charles Wilkerson.

Retires This Year

Dinner Honors C. C. Harvey, ASC County Committee Member

Mr. Charles Courtney Harvey is retiring from the Appomattox ASC County Committee under a record ruling of the Department of Agriculture which prohibits men over 70 years of age from serving on ASC county committees. Mr. Harvey has served the farmers in Southside community as county or as community committeeman for many years.

At a special dinner meeting Wednesday, Nov. 6th, Mr. Harvey was presented a certificate of Merit from the Virginia ASC State Committee containing the following citation: "For faithful and dedicated service as a member of the Appomattox Agricultural Stabilization and Conservation county committee. Mr. Harvey was also presented a letter signed by each member of the Virginia ASC State Committee and the State Executive Director, Mr. W. T. Powers. Portions of this letter are as follows: We would like to express our deep appreciation for the splendid service you have rendered as a committeeman over the years. We recognize that without committeemen of broad vision, balanced judgment, and unselfish purpose like yourself, our ASCS programs would not enjoy the respect and esteem of farmers which is now generally the case. The many changes and the great improvements in the agricultural picture today constitute a monument to the fine work of our committeemen. It is hard to visualize what agriculture would be like today without the stabilizing and beneficial effects of ASCS programs on so many sectors of the farm economy, and it is even more difficult to realize what ASCS would be like without the County Committeemen who have served so well".

Delegates to the county convention elected Mr. Richard T. Nash to replace Mr. Harvey on the county committee.
